FARMYARD FRIENDS

Quietly, quietly
Not a sound
While kitten sleeps
Upon the ground.

"Quack, quack," cries the duck
As off we trot to play
"Won't we have a wonderful time
On such a sunny day."

Naughty pinky pig
Is being very rude
He should be speaking to the duck
Instead he's eating food.

Lonely little duckling
Asks if he can play
With the cheerful puppies
On such a lovely day.

Little duckling watches
As one cute chicken sleeps
While cheeky sits on Mother's back
And cheeps and cheeps and cheeps.
